

## Questions and Answers for May 20, 2010

---

**Q1) Limited production capacity has been identified as a potential issue that will impact the delivery of the first tranche of delivery on or before 31AUG10. Is there any flexibility in this delivery timeframe?**

A1) Further to the Q&A document dated 17MAY10, we will allow for the first tranche of delivery to be extended from no later than 31AUG10 to no later than 30SEP10.
