Amendment #1: Article C3 of the Supply Arrangement Agreement shall be deleted in its entirety and substituted with the following:

“C3. Supply Arrangement Period

Start: Effective date, as determined pursuant to Section C2 above

End: Two years from the Effective Date

Option to Extend:

The Project Monitor grants to the Project Team the irrevocable option to extend the term of this Supply Agreement by up to an additional 18 months or any lesser period on the same terms and conditions. The Project Team may exercise this option at any time by sending a written notice to the Project Monitor no less than three (3) months before the end of the initial two (2) year period. The option may only be exercised by the Project Team, and will be evidenced for administrative purposes only, through a Supply Arrangement amendment.

In the event of the exercising of the option to extend, Article C7 of the Agreement shall be amended to reflect a new Price that includes a pro-rated option amount, calculated by multiplying the equal monthly installment amount for the Services by the length of the extension period.”
