

SUPPORTING EXPORTERS THROUGH COVID-19

Dear Reader,

After a year into the COVID-19 pandemic, we all continue to face new challenges and reflect on how we can support one another in the Government of Canada's economic recovery plan.

Despite the ongoing uncertainties of the pandemic, CCC has had several wins including the recent appointment of our new President and CEO Bobby Kwon. Many of our customers who we are so proud to work with have recently reached important milestones in their projects including the completion of Ghana's new port terminal, the signing of a contract for Cascade Aerospace with the U.S. Department of Defence, and the development of skilled workforce in Peru with Festo Didactic.

Our latest product release, the Global Bid Opportunity Finder, is also reaching new heights in helping small business grow their exporting capabilities. This tool offers the largest source of opportunities exclusively for Canadian companies with opportunities from 30+ sources, covering 200+ countries, and 5,000+ new opportunities added daily.
