Delivering Canada to the world

We are Canada's government to government contracting agency

Fastest growing opportunity consolidator

Search all your favourite government e-tendering portals in one place. GBOF offers access to bid opportunities from over 49 sources, covering 200 jurisdictions. Auto-translated into English and French for easy search.

Designed for Canadian businesses

The Global Bid Opportunity Finder tool is available exclusively for all Canadian businesses. No matter your company size, there is an opportunity for you to sell to a foreign government.

Search

Search for opportunities by tender status, source, sector(s), locations, notice types, close date.

Filters

Filter using terminology for your market by combining multiple keywords, search by exact keywords and exclude keywords.

Alerts

Get your entire business development team involved by saving your filters and tenders, sharing search results and setting up email alerts.

"I trust GBOF. Some of the other aggregators are just not credible. They feature open tenders that are often junk, or teasers that require you to pay to access the entire solicitation document."
